

The **FIU Center for Leadership** faculty and staff are dedicated to exploring leadership thought and practice through continuous research, providing opportunities for leaders to develop keen self-insight, and teaching leadership competencies that will equip them to meaningfully transform their organizations and their societies. Through research, executive development programs and community engagement opportunities, the **Center for Leadership** is committed to equipping **better leaders** for a **better world**.

A DECADE OF BETTER LEADERS

Research

It all started with research. Ten years ago, we asked, "What do leaders need to know to be successful?" Guided by this initial question, The Center embarked on a journey to better understand what the best research could tell us.
